

PRATT + LARSON

MATTE GLAZES

We are delighted to announce the launch of our new Matte glaze family! The M glazes offer a wonderful range of colors from vibrant to neutral in a sumptuous matte surface.

A great option for residential floors, these glazes can be beautifully combined with counterparts in the glossy and watercolor glaze families.

Add a burst of color to your Pratt + Larson display with our selection of fun 12X12 grouted mosaic boards! Please contact your Regional Sales Representative or our Customer Service team to order boards.
