## BROWNSTONE

Brownstone tiles are handmade with a layer of red clay — radiating through the tile and adding a warm undertone unlike any of our other glazes. Inspired by the natural beauty of the Pacific Northwest, this palette brings earthy, vibrant hues perfect for both residential and commercial applications.

Brownstone tile is in stock which allows most orders to be shipped within 5 business days.

- Available in 7 colors: Summit Gloss, Summit Matte, Dogwood Gloss, Dogwood Matte, Forest Matte, River Matte, Pacific Matte.
- 2x8 Brownstone Smooth field is sold by the box, there are 7 SF per box.
- Corresponding 8" Mini Quarter Round trims are available in all colors and sold by the piece.

Pratt + Larson has been making hand crafted tile in Portland, OR since 1982. Our tile is available for purchase through our network of partners throughout the US and Canada.
